Support the National Kidney Foundation This Giving Season

The National Kidney Foundation of Northern California and Northern Nevada provides health education, patient and research support, kidney health screenings and much more for tens of thousands of people across the region, thanks entirely to the generosity of individual volunteers, donors, corporate sponsors and philanthropic organizations. But to keep making a difference, we need your help! Please contribute through our secure website to help support programs such as our Kidney Wellness Screenings, pictured above.

Patient Education Forum Kicks off the Holiday Season

NKF launched its new Patient Education Forum series with an event on Sunday, December 2 at the Hyatt Regency in San Francisco. The forum focused on self-management, peer education and advocacy for people with kidney disease, their families, like Luis and his family pictured right, and health professionals. More than 100 people attended the forum, which was followed by a holiday reception. NKF is planning for more education forums throughout 2008.
